

A·BEN·A·QUI
Universal Cleaner
ENVIRONMENTALLY SAFER

NON TOXIC • BIODEGRADABLE ENVIRONMENTALLY SAFE

A-Ben-A-Qui is a revolutionary multi-purpose paste cleaner for those who want one versatile and effective product to use virtually anywhere. From glass top stoves and stainless steel appliances at home, to lockers, toilet partitions and floors in schools, our product offers a safe way to tackle the most stubborn stains and messes safely.

A-Ben-A-Qui doesn't smell like harmful chemicals for a reason – it simply doesn't contain any! In fact, it's eco-friendly certified, and doesn't contain any harmful chemicals, fumes or fragrances, making it completely safe to use in homes or offices with children and pets, or anyone with allergies or skin sensitivities.

A·BEN·A·QUI

Universal Cleaner

ENVIRONMENTALLY SAFER

A-Ben-A-qui is used to Clean and Polish the following:

Stainless Steel	Copper	Brass	Refrigerators
Sinks	Water Based Paint	School Desks	Partitions
Stoves	Auto Chrome	Porcelain	Graffiti
White Board Conditioner	Lockers	Scuff Marks	Kitchen Utensils

A-Ben-A-qui can be used on any hard surfaces such as:

Counter Tops	Glass	Laminate	Vinyl
Ceramic	Rubber	Tile	Grout
Showers	Cabinets	Wood	Toilets
Tubs	Aluminum Metals	Fibreglass	Plastic

Easy to Apply

Simply apply the desired amount of paste on a clean cloth, preferably a microfibre cloth (dampen cloths as the circumstances require). Rub the paste briskly in a circular motion and apply pressure if necessary. Flip the cloth over to unused clean side and dampen. Wipe the surface clean of any paste residue left behind and reapply as necessary.
