

CH pro eco Force UPRIGHT VACUUMS

Strong and reliable, these upright vacuums fold down completely horizontally for easy access under low furniture and beds. Each vacuum comes with the essential accessories on board allowing the operator to switch uses right on site. The reduced Energy Consumption by the brush and vacuum motors make these uprights a more eco friendly choice. Made with the same balanced roller brush and double support body side levers you're used to from the RX series you've come to love.
